The evaluation mechanism followed by the college to a large extent is in conformity with that of affiliating university i. e. Dr. Babasaheb Ambedkar Marathwada University, Aurangabad (MS). Continuous evaluation system has been initiated in the academic year 2015-2016 on the university level. Teachers evaluate the students on the basis of the projects followed by its presentation and viva voce examination for each subject in the faculty of Arts and Commerce whereas practical examinations followed by projects and viva in the faculty of Science. Beyond the evaluative mechanism, a few of our teachers follow continuous internal evaluation system through surprise tests, content test, quizzes and oral examinations. The detail plan of action is communicated well in advance to the students. The results of external examination and internal examination are combined and announced by the University examination section and displayed on the university website and further provided to the college. The photo copies of the answer sheets are being provided to the candidates on demand. For the courses such as Remedial, Bridge etc. the evaluation process in each subject varied as per the need. For the skill-based course the college has its own evaluation mechanism based on the type of the course and the course outcome.

The Department submits the inputs for the academic calendar and later IQAC in consultation with Principal modify the same by considering the admission dates, internal and University Examination schedule. The schedule for the meetings of various committees, cells, associations etc. are also taken into consideration. To inculcate various values the celebration of important days, festivals, occasions are needed to be incorporated while making the academic calendar. The extracurricular activities, NSS camps and outreach programmes have been focused before making the academic calendar. The most important aspect of academic calendar is to give adequate teaching space and further test schedule with

evaluation time-table are included. A special emphasis on the co-curricular activities such as study tours, field visits, seminars, workshops is given in our academic calendar. The Semester end meetings and the closing dates of semester have been mentioned as a part of year planning in an academic calendar. The time table committee prepares time table for the year in the month of May. Allocation of papers is carried out by the HoD in consultation with his faculty.
