A huge green campus of thirteen acres surrounded by lush green heritage valley of Ajanta caves and on the bank of river Sona. It is the only college that provides higher education in all the basic fields attracts many students from nearby well-connected villages. The college has become the hope for an all-round development and better career for the students who are socio-economically deprived from this region. More than sixty thousand such students from this region have been benefited by the education provided by this institution. To enrich the existing cultural heritage, the college has introduced a special professionally organised mega sports, art and cultural festival YUVA DARPAN 2015-16.
